| 39 | Place to connect - A new way of creating your place is in this audio. Each time you go you create more items to help you communicate with spirit. (as part of pack 5) |
| 40 | How to do meditation - Many tell me they can't or don't know how to meditate, well for 28 years I have been enjoying meditation and have created this ebook to help you but also how to create your own. |

Download

Why not try our free audio's to see how easy it is to download. Just press the link or copy the url in your address bar and will automatically start to download. If right click your mouse, then you can save to any folder of your choice or if go to download page on your pc, you will find them there.

CD Post and Packing

If order pk1 with your order, then in the uk we aim to deliver in 48 hrs after purchase. We can send you download links to try while you wait, just contact me. Anyone outside the uk, please email for prices, usually around double the price. Paypal will show the exchange rate for any other country.

Returns

If you are not satisfied with your order then please contact me because your business means a lot. If a particular download isn't what you expected, then contact me, and for free you can choose another link. The links are updated every month, to stop people sharing orders they have placed. If the odd item you think would benefit someone, then contact me, and I will be happy to share.

For any other enquiries, please email me as Bradmonk@hotmail.com or email@eternalflow.org

These are home-made audio's with expensive software and headphones. *(created a very reasonable price) There may be odd noises off breathing and place recorded the talk. When channel ling, often I don't remember what is said and the energy of connecting you may feel from the audio's. If any audio's send you to sleep, (most meditations) don't worry some may get you into the alpha state quicker than expected. Some have been created so you can listen in any environment.
